47th INTERNATIONAL SYMPOSIUM
"ACTUAL TASKS ON AGRICULTURAL ENGINEERING"

First Announcement and Call for Papers

5th – 7th March 2019
Opatija, Croatia

About Symposium

Symposium "Actual Tasks on Agricultural Engineering" has been organised for 46 years that shows its tradition and importance. During last years the Symposium achieved more international meaning thanks to co-sponsoring of EurAgEng, CIGR and AAAE.

CASEE (ICA Regional Network for Central and South-Eastern Europe) as co-organiser is dedicated to strengthening the connection of agricultural and biosystems engineering with other agricultural disciplines.

Papers from Symposium's proceedings are indexed into world's famous databases as: Clarivate Analytics (former Thomson Reuters) Conference Proceedings Citation Index and ISTP, CAB International - Agricultural Engineering Abstracts.

Aim of Symposium

The aim of the Symposium is to present the latest scientific results on all aspects of research, design and development work in the various disciplines of agricultural engineering.

Topics

The main topics to be covered by Symposium are:

- *Land & Water Use and Environment
- *Power and machinery
- *Information Systems and Precision Farming
- *Livestock Technology
- *Processing & Post Harvest Technology and Logistics
- *Energy and Non-Food Production Technology
- *Systems Engineering and Management
- *Fruit & Vegetable Cultivation Systems
- *Global Issues

Travelling

To arrive in Opatija You can travel by airplane, train or bus to Zagreb, Ljubljana (Slovenia) or Trieste (Italy) and then by train or bus to Rijeka. From Rijeka to Opatija drives local bus.

Registration Fee

The registration fee covers publishing of one paper in the Symposium Proceedings, attendance to all symposium sessions, symposium materials, official dinner, certificate of attendance and Proceedings of papers (on USB flash drive).

Registration fee is 210 € and should be paid until February 15, 2019

*Bank expenses must be covered by participants.

Language

The official language of the symposium will be English and Croatian. Participants with oral presentations in Croatian language must have Power Point presentation in English language.

Call for Papers

Abstracts in English not exceeding 500 words should be submitted before 15. September 2018. Each Abstract will be reviewed and the decision of the Scientific Committee will be conveyed to each author by 20. September 2018. The full papers must be submitted by 20. October 2018. The instructions for writing the paper are available on Official Web Page (<http://atae.agr.hr>). Please prepare your papers according to the instructions, and submit them before the deadline so that they can be included in the program and Proceedings of the Symposium, otherwise papers will not be accepted for publishing.
